Membership Referrals Rewards

You are our best source of referrals & in order to show our gratitude, every time you refer a client that enrolls in any one of our monthly service memberships, you will receive the last month of your membership for FREE!*

**membership value must be equal to or lesser than referral clients' membership purchase. Client who's referral has enrolled in a lesser valued membership will*

receive the dollar value equivalent of the referral's 1 month membership cost towards their account on the last month of their membership. Limit one discount per membership year.

Paid In Full Wellness Program

The option to pay entire value of membership is available to clients. Once membership is paid in full, clients may immediately use the amount of pre-paid services at their own discretion as long as membership is current and active.

Memberships cannot be rolled over from month to month; if services are not used they are forfeited. Memberships cannot be transferred to another person. Services between different memberships cannot be interchanged. A valid credit card must be on file. Your credit card will be charged on the 26th of the previous month for the following month. Memberships can be cancelled at any time, for any reason, with a written notice of 45 days or more.
